In the event that we (or a third party bank with which Client Money is deposited) were to fail, the FCA's client money distribution and transfer rules contained in the Rules will apply to Client Money. The protection accorded to the HSBC Child Trust Fund's Client Money under the Rules is in addition to any rights that you may have on behalf of the Child, subject to eligibility, to claim compensation under the Financial Services Compensation Scheme, as set out in Clause 24 of these Terms.

6.9 Where:

- Money is credited in the Cash Account; or
- Money is credited in the Overflow Account,

such monies will be held by the Bank (separately of any Client Money held by us) as banker and not trustee. This means that such monies will not be held in accordance with the Rules applicable to Client Money. If the Bank were to fail, the client money distribution and transfer rules would not apply to this money and the Child would not be entitled to share in any distribution made under those rules.

The distribution will be in the same proportion as the respective holdings of clients who have given identical instructions in connection with the relevant Corporate Action. In the case of mandatory Corporate Actions, investor instructions will be deemed to have been given. In the case of voluntary Corporate Actions, the entitlement will be paid on the default option for any events not instructed on.
- 7.13** We will apply any share entitlements to the fullest extent possible however, where any Corporate Action results in the Child being entitled to the cash value of a fraction of a share, we will credit the Cash Account with that cash amount in full.

8. Delegation and Transfer of your agreement

- 8.1** We may delegate any of our functions or responsibilities under these Terms to any person however, before doing so and from time to time thereafter, we will satisfy ourselves that such person is competent to carry out those functions and responsibilities. We will remain fully responsible to you for our service under these Terms notwithstanding any such delegation.
- 8.2** We may not transfer your agreement with us under these Terms to a third party without your consent, except that you agree we may transfer it to an Associate (which is suitably authorised and capable of providing the services to you at a similar level of service) as part of an internal re-organisation of our business. In the event that we do undertake such a transfer, we will give you at least 30 days' advance personal written notice of the change. The new contracting entity will assume our obligations to provide the services under these Terms to you in our place. If you do not agree to the transfer, you have the right to end this agreement in accordance with Clause 17.

- 8.3** If we transfer our business to a New Provider in accordance with Clause 8.2 of these Terms, we may also transfer Client Money to the New Provider. In these circumstances, we will ensure that the New Provider will hold Client Money in accordance with the CASS Rules or, to the extent the New Provider will not hold this money as Client Money, we will exercise all due skill, care and diligence in assessing whether the New Provider will apply adequate measures to protect Client Money when transferred to that New Provider.

- 9.4** For some of our services we may receive other minor benefits (but not payments) that we believe improve the quality of the service provided to you. Such benefits will be minor in nature so that they do not impact on our ability to always act in your best interests.

Where the Bank of England base rate is 1% or lower, no interest will be earned on monies held as cash in the Cash Account.

- 11.2** Interest will be paid at the rate of 1% below the Bank of England base rate once a year on the Child's birthday on monies held in the Overflow Account. This means where the Bank of England base rate is 1% or lower, no interest will be paid. We will adjust the interest rate payable on the Overflow Account within 30 days of a change to the Bank of England base rate. Interest will be paid gross (without the deduction of tax). Although payable gross, such interest is not exempt from UK income tax. So depending on personal circumstances the Child or the Responsible Person may need to pay tax on this interest via their own tax return.
- 11.3** We only calculate interest on the daily cleared balance of the Cash Account and the Overflow Account and will pay it into the Cash Account or the Overflow Account, as appropriate, once a year on the Child's birthday. The interest will only be reinvested in the HSBC Child Trust Fund where it is over £1. Interest will not be paid during the cancellation period.

 - The price of new Shares purchased in the Fund and the value of existing Shares in the HSBC Child Trust Fund will reflect the fact that this charge has been taken.
 - This charge may change from time to time. If it changes then we will let you know within the annual statement.

The ongoing charge may change from time to time in the future but it will not exceed the maximum charge allowed by the Regulations.

We reserve the right under these Terms to deduct a sufficient amount of funds from the HSBC Child Trust Fund to pay any tax liabilities that may have been incurred in relation to credit interest payments made on or prior to 5th April 2016. Where tax liabilities are incurred in respect of credit interest payments made on or after 6th April 2016 we will not deduct any amount in respect of these liabilities and it shall be the Child's personal representatives' responsibility to account to HMRC for the full amount of such liabilities.

17. Transfers

Transferring out

- 17.1** You can transfer the whole of the HSBC Child Trust Fund to another Child Trust Fund or Junior Individual Savings Account provider. We won't apply any charges for transferring your HSBC CTF to another CTF or Junior Individual Savings Account provider (except charges such as stamp duty and other dealing costs associated with disposal or acquisition of investments). However, you can only transfer any money in the Overflow Account if the provider specifically agrees to this (please see Clause 17.4). When the HSBC Child Trust Fund is transferred all of your and our rights and obligations in respect of the HSBC Child Trust Fund will also be transferred.

From the date we are in receipt of both your written instruction and confirmation of acceptance from your new Child Trust Fund or Junior Individual Savings Account provider, it will normally take a maximum of 30 days to complete the transfer of the HSBC Child Trust Fund. During this time the investment may be out of the market, which may move up or down resulting in a potential loss of growth. You can stipulate an alternative time period for the transfer, provided such period is not less than 30 days. There may be occasions where the transfer will take longer to complete due to circumstances beyond our control.

- 17.2** You must contact the new Child Trust Fund or Junior Individual Savings Account provider and complete an application form. If they are happy with this, they will contact us and request that the HSBC Child Trust Fund is transferred. When we receive their written request, we will carry out the transfer of the HSBC Child Trust Fund as requested by you to your new Child Trust Fund or Junior Individual Savings Account provider.

We will send you a statement covering the time period up to the transfer date.

- 17.3** We will only carry out a transfer of the HSBC Child Trust Fund in cash, so we will have to sell any Shares held in the Investment Account of the HSBC Child Trust Fund before we can carry out the transfer to the new Child Trust Fund or Junior Individual Savings Account provider. We will normally sell the Shares within four Business Days of receipt of both your written instruction and confirmation of acceptance from your new Child Trust Fund or Junior Individual Savings Account provider.

- 17.4** The new provider may not agree to accept the transfer of money in the Overflow Account. We will contact them to ask if they agree to accept: the money in the Overflow Account; that the money in the Overflow Account is the Child's money and is for investment in the Child Trust Fund that is being transferred to them in the next Birthday Year; and that they will deal with the money accordingly.

If we do not receive this confirmation and you go ahead and transfer the HSBC Child Trust Fund (excluding the Overflow Account) to the new provider we will send you a cheque, made payable to the Child, for the amount of money in the Overflow Account.

Transferring in

- 17.5** The Registered Contact can transfer an existing Child Trust Fund to us free of charge (except charges such as stamp duty and other dealing costs associated with disposal or acquisition of investments). We will only accept transfers into our HSBC Child Trust Fund in cash. Such transfers can only take place after the end of the 14 day cancellation period (please see Clause 4).
- 17.6** Although we do not do so at present, if we should offer a non-stakeholder HSBC Child Trust Fund in the future, you will be able to switch the investment (free of charge except for any incidental charges). On your instructions, and within 30 days of receiving the transfer request, the whole HSBC Child Trust Fund shall become a non-stakeholder HSBC Child Trust Fund. Any necessary change in the investments will be made accordingly.

However, if the matter is not resolved to your satisfaction and you would like further information about our process for resolving complaints, please ask us for our explanatory leaflet 'Listening to Your Comments'.

You may be able to refer your complaint to the Financial Ombudsman Service at Exchange Tower, London E14 9SR.

The Financial Ombudsman Service will generally review complaints from retail customers. However, their criteria for reviewing complaints may mean that even if you have been categorised by a provider of products and services as a retail client they may not regard you as an eligible complainant.

To help us continually improve our service and in the interests of security we may monitor and/or record your telephone calls.

We are authorised by the PRA and regulated by the FCA and PRA and can be found on the Financial Services Register as number 119297. You can check this on the Financial Services Register [fca.org.uk](https://www.fca.org.uk). Our main business is the provision of trustee services and administering investments.

24.2 Compensation

Cash Account and Overflow Account

These accounts are held with HSBC UK Bank plc which is covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors are covered by the scheme. An eligible depositor is entitled to claim up to the current FSCS limit for deposits. The FSCS deposit limit relates to the combined amount in all the Child's accounts with HSBC and first direct including their share of any joint account, and not to each separate account.

Investment Account

The investment in the Investment Account is held within a fund. If HSBC became insolvent these fund investments would still be held by an independent depositary for the benefit of the Child. However, if at the time of the insolvency you had a claim against us in respect of the Child's Investment Account, you may be eligible to claim from the FSCS. Most types of investment businesses are covered by the FSCS and eligible investors can claim up to the current FSCS limit for investments. The current FSCS relates to the combined amount in all the Child's accounts with the CTF Provider that hold investments, including any share of any joint account, and not to each separate account.

For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please refer to the FSCS website fscs.org.uk or call the FSCS on 0800 678 1100 or 0207 741 4100. Please note only compensation related queries should be directed to the FSCS.

Annex 1

Best Execution Disclosure Statement

1. Purpose and scope

This Best Execution Disclosure Statement provides a summary of the steps we will take to achieve the Best Possible Result for the sale and purchase of Shares under our Execution Policy on a consistent basis including where possible in situations of market stress. Best execution is the requirement to take all sufficient steps to obtain the Best Possible Result when executing orders taking into account execution factors such as price, costs, speed, likelihood of execution and settlement, size, nature or any other consideration relevant to the execution of an order. We will not execute any orders for the sale or purchase of Shares ourselves. Orders received will be transmitted for execution to the Authorised Corporate Director ("ACD").

2. Execution of Orders

Your orders for the purchase or sale of Shares will be executed within the time periods specified in the Terms or, where applicable, at such time as you instruct. Any specific instructions from you may prevent the ACD from taking the steps that the ACD has designed and implemented to obtain the Best Possible Result for the execution of those orders in respect of the elements covered by those instructions. The share price for all purchases and sales of Shares will be determined at the next valuation point following the receipt of your order by the ACD.

3. Specific instruction warning

We will only carry out your order as set out within these Terms in accordance with our Execution Policy. We are not able to accept any additional specific instructions you give us as to how to carry out your order e.g. to use a specific broker or Execution Venue.

Where you are permitted to give a specific instruction this may prevent us from achieving the Best Possible Result in accordance with our Execution Policy in respect of the aspects covered by the specific instruction.

4. Execution Venue

The Shares can only be traded with the ACD and therefore are never traded on a Regulated Market, Multilateral Trading Facility or Organised Trading Facility (as defined by the FCA in its Rules).

All orders for the purchase or sale of Shares will be executed by the ACD, which will be the Execution Venue for the purposes of the Rules.

5. Effective date, review, amendments and monitoring

This Best Execution Disclosure Statement will be reviewed at least annually. We will also review our Execution Policy annually or where a material change has occurred. We will inform you in writing of any material changes to the Execution Policy. You may ask us at any time in the seven years following a Transaction to demonstrate that we have executed your order in accordance with our Execution Policy. Information regarding execution and the top five Execution Venues can be accessed via our website hsbc.co.uk/investments/products-and-services/best-execution.

Annex 2

HSBC Policy on Conflicts of Interest

The HSBC Group is a global organisation which provides a wide range of financial services. As such, it, or a company with whom it has an association (HSBC), may from time to time have interests which conflict with its clients' interests or with the duties that it owes to its clients. These include conflicts arising between the interests of HSBC, its associates and employees on the one hand and the interests of its clients on the other and also conflicts between clients themselves. Conflicts may also arise from the receipt of payments or benefits from third parties or from remuneration and other incentive structures.

HSBC has established procedures which are designed to take all appropriate steps to identify, prevent and manage such conflicts which may adversely affect the interests of clients. These include organisational and administrative arrangements to safeguard the interests of clients. A key element of this policy is that persons engaged in different business activities involving a conflict of interest must carry on those activities independently of one another.

Where necessary, HSBC maintains arrangements which restrict the flow of information to certain employees in order to protect its clients' interests and to prevent improper access to client information.

HSBC may also deal as principal for its own investment account and may be matching transactions with another client. Procedures are in place in order to protect the client's interest in this instance.

In some cases, HSBC's procedures and controls may not be sufficient to ensure that a potential conflict of interest does not damage a client's interests. In these circumstances, HSBC will consider whether it is appropriate to disclose the potential conflict to the client and obtain the client's formal consent to proceed. However, HSBC may decline to act in any circumstance where there is residual risk of damage to the interests of any client.

You may have further questions which relate to the underlying procedures within HSBC. In such cases you should contact us.
